

Price and conditions list

Effective from Sept 1, 2022

Primary Note

Prices at bloopark are aligned with the goal of providing the customer with the most transparent price and traceability possible. For us, simplicity takes precedence over complexity. Therefore, we do not apply different hourly rates based on experience, product categories or surcharges. Our way of working corresponds to the highest quality at a fair price.

1. Conditions according to product groups

- a. Customization, Development and Consulting service as well Trainings on demand:

Daily Rate	1.200 EUR
-------------------	------------------

- b. Support service

If you need a contact person for the day-to-day questions or a support after the completion of the project, we will be very happy to assist you with our support service.

Daily Rate	1.080 EUR (-10% of standard)
-------------------	-------------------------------------

The minimum term is three months and depending on the project size, at least 1-3 days per month are to be scheduled. Cancellation period four weeks to the end of the month.

2. Billing

Invoicing is effectively based on actual performance in hours, a daily rate includes 7 working hours (FTE of 7 h). For this, the contractor waives overhead surcharges. Invoicing will be done after completion but not later than one month.

For the support service, the minimum scope for the provision of capacity will be invoiced, hours in excess of this will be invoiced according to the conditions under item 1.2. Development services or reimbursement of days are excluded from the support service.

3. General

All prices stated are net prices plus the statutory value added tax. The Contractor may adjust the conditions subject to a notice period of two months; the Client shall be notified of the declaration in writing. For contracts that are subject to a minimum term, the conditions will only change at the next contract renewal.

4. Project language

Our project managers are selected according to professional quality. If the client insists on German as the project language and provision of learning videos/documentation in German, the contractor is entitled to demand a surcharge of up to 10% on the conditions.

5. Travel cost and other expenses

Expenses are charged on at actual cost plus statutory VAT. In addition, the following general conditions apply:

- Car travel to and from the event will be charged at a flat rate of EUR 0.50 per kilometer driven.
- Additional expenses for meals are charged at the statutory per diem rate in accordance with § 9 (4a) of the German Income Tax Act (EStG).
